# TERMS AND CONDITIONS

## Payment terms

1. The terms of payment are strictly thirty (30) days (or such other period as nominated by the supplier herein) from the date of invoice. Subzero Projects Pty Ltd ABN 28 105 249 287 and its related bodies corporate (as that term is defined in the *Corporations Act 2001*) (**Supplier**) may, at any time, unilaterally vary the terms of trade in its absolute and unfettered discretion.
2. Should the Applicant not pay for the goods or services supplied by the Supplier in accordance with the credit terms as provided herein, or as agreed in writing by the Supplier from time to time, the Supplier will be entitled to charge an administration fee of:
  - (a) 10 percent of the amount of the invoice payable; and
  - (b) a further 10 percent per annum payable per year, or part thereof, until payment by the Applicant.

## Jurisdiction

3. The Applicant acknowledges and agrees that this agreement will be governed by the laws of Queensland, and the laws of the Commonwealth of Australia which are in force in Queensland.
4. The Applicant acknowledges and agrees that any contract for the supply of goods or services between the Supplier and the Applicant is formed at the address of the Supplier.
5. The parties to this agreement submit to the non-exclusive jurisdiction of the courts of Queensland and the relevant federal courts and courts competent to hear appeals from those courts.

## Supplier's representative

6. The Supplier shall superintend the whole of the work and shall keep upon the works a competent representative authorised by them to receive instructions from the Applicant.

## Progress of works

7. Completion by the date for completion is subject to the Applicant making available full information including all critical dimensions. Failure by the Applicant to comply with this provision shall be deemed to be a matter 'beyond the control of the Supplier' for the purposes of clauses 15 to 17 hereof.

## Completion

8. The works shall have reached the stage of completion when they are reasonable fit for use or occupation by the Applicant save for the existence of minor defects which do not significantly inconvenience the Applicant or cause a legal impediment to the use and occupation of the Applicant and the Supplier has given the Applicant written notice that the works have been so completed.
9. Notwithstanding the provision of clause 8, completion shall be deemed to have taken place when the Applicant occupies the premises where the works have been executed and commences trading.
10. The Supplier shall bring the works to completion on or before the date for completion stated in item B the Appendix.
11. Where the contract specifies that separable portions of the works shall be executed to completion within a period or by a date different from the period or date fixed by the Supplier for the completion of works the Supplier shall execute the separable portions of the works to completion by the date or dates specified in item C of the Appendix.
12. If a part of the works has reached completion but another part of the works has not reached completion and the parties cannot agree upon the creation of separable portions, the representative referred to in clause 6 hereof may determine that the respective parts shall be separable portions.
13. In using the separable portion that has reached completion, the Applicant shall not hinder the Supplier in the performance of the work under the Agreement.

## Defects liability period

14. The Supplier shall, after completion, make good any defects of the works in materials or workmanship and undertake to replace faulty materials or rectify faulty workmanship as agreed between the Supplier and Applicant for a period as specified in item D of the Appendix from the date of completion. Material and/or processes that are not a manufacture of the Supplier and are specified for use by the Applicant are covered by warranty to the extent of such warranty obtainable from the suppliers of such materials and or process. Apart from such warranty as mentioned, no other warranty either express or implied (to the extent permitted to be excluded at law) is given by the Supplier to the Applicant.

## Extensions of time

15. Should the progress of the works be delayed by a cause or causes beyond the control of the Supplier then the Applicant shall allow the Supplier an extension of time to the date or dates for completion specified in clauses 9 and 11.
16. The Supplier shall notify the Applicant of any delays where an extension of time is sought within a reasonable time of the occurrence of the delay and with the notification, state the period of time for which the extension of time is sought. Should the Applicant not dissent in writing within five (5) days of the giving of the notice then the time for reaching completion is deemed extended.
17. The Supplier does not accept liability for any damages (either direct or indirect) for failure to deliver in the estimated time, unless specifically accepted by the Supplier in this contract.

## Arbitration

18. Should any dispute or difference arise between the Applicant and the Supplier which has not been resolved or settled within seven (7) calendar days from the date of such dispute or difference, the matter shall be referred to the arbitration of the nominee of the chairperson of the chapter for the time being of the Institute of Arbitrators and Mediators Australia in the State or Territory where the works are situated and his/her findings shall be final and binding on both parties. At any hearing of such arbitration neither party shall be legally represented without the consent in writing of the other party.

## Security/charges

19. The Applicant charges in favour of the Supplier all of its estate and interest in any real property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
20. The Applicant charges in favour of the Supplier all of its estate and interest in any personal property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
21. The Applicant appoints as its duly constituted attorney the Supplier's company secretary from time to time to execute in the Applicant's name and as the Applicant's act and deed any real property mortgage, bill of sale or consent to any caveat the Supplier may choose to lodge against real property that the Applicant may own in any Land Titles Office in any state or territory of Australia, even though the Applicant may not have defaulted in carrying out its obligations hereunder.
22. Where the Applicant has previously entered into an agreement with the Supplier by which the Applicant has granted a charge, mortgage or other security interest (including a security interest as defined in the *Personal Property Securities Act 2009 (PPSA)*) over or in respect of real or personal property, those charges, mortgages or other security interests and the terms which directly or indirectly create rights, powers or obligations in respect thereto will continue and co-exist with the obligations and security interests created in this agreement and will secure all indebtedness and obligations of the Applicant under this agreement. The Supplier may, at its election, vary the terms of such previous charges, mortgages or other securities to reflect the terms herein.

## Purpose of credit

23. The Applicant acknowledges and agrees that the credit to be provided to the Applicant by the Supplier is to be applied wholly or predominantly for commercial purposes.

## Formation of contract

24. Quotations made by the Supplier will not be construed as an offer or obligation to supply in accordance with the quotation. The Supplier reserves the right to accept or reject, at its discretion, any offer to purchase received by it. Only written acceptance by the Supplier of the Applicant's offer will complete a contract.
25. Placement of an order, either verbally or in writing, will imply acceptance of the Supplier's offer and of these terms and conditions.

## Retention of title

26. Title in the goods does not pass to the Applicant until the Applicant has made payment in full for the goods and, further, until the Applicant has made payment in full of all the other money owing by the Applicant to the Supplier (whether in respect of money payable under a specific contract or on any other account whatsoever).
27. Whilst the Applicant has not paid for the goods supplied in full at any time, the Applicant agrees that property and title in the goods will not pass to the Applicant and the Supplier retains the legal and equitable title in those goods supplied and not yet sold.
28. Until payment in full has been made to the Supplier, the Applicant will hold the goods in a fiduciary capacity for the Supplier and agrees to store the goods in such a manner that they can be identified as the property of the Supplier, and will not mix the goods with other similar goods.
29. The Applicant will be entitled to sell the goods in the ordinary course of its business, but until full payment for the goods has been made to the Supplier, the Applicant will sell as agent and bailee for the Supplier and the proceeds of sale of the goods will be held by the Applicant on trust for the Supplier absolutely.
30. The Applicant's indebtedness to the Supplier, whether in full or in part, will not be discharged by the operation of clause 29 hereof unless and until the funds held on trust are remitted to the Supplier.
31. The Applicant agrees that whilst property and title in the goods remains with the Supplier, the Supplier has the right, with or without prior notice to the Applicant, to enter upon any premises occupied by the Applicant (or any receiver, receiver and manager, administrator, liquidator or trustee in bankruptcy of the Applicant) to inspect the goods of the Supplier and to possess the goods which may be in the Applicant's possession, custody or control when payment is overdue.
32. The Applicant will be responsible for the Supplier's costs and expenses in exercising its rights under clause 31. Where the Supplier exercises any power to enter the premises, that entry will not give rise to any action of trespass or similar action on the part of the Applicant against the Supplier, its employees, servants or agents.
33. The Applicant agrees that where the goods have been retaken into the possession of the Supplier, the Supplier has the absolute right to sell or deal with the goods, and if necessary, sell the goods with the trademark or name of the Applicant on those goods, and the Applicant hereby grants an irrevocable licence to the Supplier to do all things necessary to sell the goods bearing the name or trademark of the Applicant.
34. For the avoidance of doubt, the Supplier's interest constitutes a 'purchase money security interest' pursuant to the PPSA.

## Cancellation of terms of credit

35. The Supplier reserves the right to withdraw credit at any time, whether the Applicant is in default under the terms of this agreement or not.
36. Upon cancellation with or without notice all liabilities incurred by the Applicant become immediately due and payable to the Supplier.

## Indemnity

37. The Applicant agrees to indemnify the Supplier and keep the Supplier indemnified against any claim. This indemnity includes any legal fees and expenses the Supplier incurs in order to enforce its rights, on an indemnity basis.

## Insurances

38. Public liability  
The Supplier shall effect a policy which shall cover liability to the public for an amount not less than that stated in item J of the Appendix in respect of all accidents arising out of or in the course of or caused by the execution of the works in the event of:
  - (a) death or bodily injury (including illness) to any person not being a person who at the time of the accident is engaged in or upon the service of the insured under a contract of service or apprenticeship; and
  - (b) damage to property not belonging to nor held in trust by nor in the custody or control of the insured.
39. The existing structures including the works together with all the contents thereof will be at the sole risk of the Applicant who shall keep the works adequately insured against loss and if requested by the Supplier, produce evidence of the fact that such insurance has been effected.
40. The Supplier shall insure for Workers' Compensation and Employers' Liability in accordance with the laws of the appropriate State or Territory of Australia.
41. The insurances referred to in clause 40 shall be effected before the works are commenced and shall be maintained effective until contract completion and either party shall if required by the other produce evidence of the currency of such insurance.

## P.C. and provisional sums

42. Where the prime cost or provisional sums are included in the contract, such sums shall be expended in favour of such persons as the Applicant shall direct. The whole or any portion of such sums remaining unexpended at Completion shall be deducted from the contract sum. Where the expenditure exceeds the allowance, the difference shall be added to the contract sum.

## Site conditions

43. The Applicant, or where appropriate (with the knowledge of the Applicant) the building owner, is responsible for:
  - (a) the provision of electric light, power, water and other necessary facilities at the work area;
  - (b) any damage caused to the Suppliers materials by other than the employees of the Supplier and their agents or sub-Suppliers; and
  - (c) accessibility to the site and provision of required clear space around the work area.
44. No allowance has been made for electrical, plumbing or any other work that may become necessary due to demolition or to meet the requirements of local authorities and such additional work shall be dealt with as a variation pursuant to clauses 82 and 83 of this contract.
45. Unless specifically referred to in the description of the works, the contract price does not include scaffolding or demolition and should these items of work become necessary for the proper execution of the works then the contract shall be adjusted pursuant to clauses 82 and 83 hereof.

## Special conditions

46. Conditions detailed on quotation as attached form part of this contract.
47. The Supplier is not responsible for the suitability for purposes of the designs, plans, goods, works and/or services for which the Applicant intends to use them. It is the Applicant's responsibility to ensure that the designs, plans, goods, works and/or services offered under this contract meet the intention and suitability for use for which the Applicant intends to use them.

## Provision of further information
